Infosafe No. ACP8T Issue Date : November 2001 ISSUED by SOKEROL

Product Name : **SOKEROL OIL/CHEMICAL ABSORBENT**

Not classified as hazardous according to criteria of NOHSC

COMPANY DETAILS

Company Name Sokerol (Australia) Pty. Ltd. (ABN 491 060 11063)
Address P.O. Box 1740 Noosa Heads
QLD 4567 Australia
Emergency Tel. (07) 5440 5488
Tel/Fax Tel: (07) 5440 5488 Fax: (07) 5440 5499

IDENTIFICATION

Product Name SOKEROL OIL/CHEMICAL ABSORBENT
Proper Shipping Name None Allocated
UN Number None Allocated
DG Class None Allocated
Packing Group None Allocated
Hazchem Code None Allocated
Poisons Schedule Not Scheduled
Product Use Used as oil and chemical absorbent.

Physical Data

Appearance Dry mixture of fibres and particulates.
Melting Point Not available
Boiling Point Not available
Vapour Pressure Not applicable
Specific Gravity 0.3 (water=1)
Flash Point Not applicable
Flamm. Limit LEL Not applicable
Flamm. Limit UEL Not applicable
Solubility in Water Insoluble

Other Properties

Form Solid
Stability Stable under normal conditions.
Haz. Polymerization Will not occur.
Materials to Avoid Strong oxidising agents.
Other Information 75 µm particles < 3.25% of product weight.
5 µm particles < 0.012% of product weight.

Ingredients

Ingredients	<u>Name</u>	<u>CAS</u>	<u>Proportion</u>
	Ingredients determined not to be hazardous	Not required	100 %

HEALTH HAZARD INFORMATION

Health Effects

Acute - Swallowed Not a likely source of exposure. May cause irritation to the mouth, oesophagus and stomach.
Acute - Eye May cause mechanical (abrasive) irritation in contact with the eyes.
Acute - Skin Not anticipated to have any acute health effects.
Acute - Inhaled Inhalation of dust may cause irritation to the mucous membrane and upper airways. Symptoms of exposure can include coughing, sneezing and breathing difficulties.
Chronic Prolonged or repeated inhalation may aggravate existing respiratory disorders.

First Aid

Material Safety Data Sheet

Infosafe No. ACP8T Issue Date : November 2001 ISSUED by SOKEROL

Product Name : **SOKEROL OIL/CHEMICAL ABSORBENT**

Not classified as hazardous according to criteria of NOHSC

Swallowed Wash out mouth with water, and then give plenty of water to drink. If symptoms develops seek medical attention.

Eye If contact with the eye(s) occur, wash with water holding eyelid(s) open. Take care not to rinse contaminated water into the non-affected eye. If irritation persists seek medical attention.

Skin Wash with water.

Inhaled Remove the source of contamination or move the victim to fresh air. Ensure airways are clear and have qualified person give oxygen through a face mask if breathing is difficult. If symptoms develops and persists seek medical attention.

First Aid Facilities Eye wash and normal wash room facilities.

Advice to Doctor

Advice to Doctor Treat symptomatically.

Other Health Hazard Information

PRECAUTIONS FOR USE

Exposure Limits No exposure standards have been established for this material, however, the TWA National Occupational Health and Safety Commission (NOHSC) exposure standards for dust not otherwise specified is 10 mg/m³.

Eng. Controls Natural ventilation should be sufficient, however where dust is generated the use of a mechanical exhaust ventilation system is recommended.

Personal Protection

Respirator Type (AS 1716) Not required under normal conditions of use, however where ventilation is inadequate and dust is generated the use of an Air Purifying Respirator with a Class P1 filter complying with AS/NZS 1715 and AS/NZS 1716 is recommended.

Eye Protection Not required under normal conditions of use.

Glove Type Not required under normal conditions of use.

Flammability

Fire Hazards Non combustibile material.

SAFE HANDLING INFORMATION

Storage and Transport

Storage Precautions Store in a dry place. Avoid contact with incompatible materials that support combustion, such as strong oxidising agents.

Transport Not classified as a Dangerous Good, according to the Australian Code for the Transport of Dangerous Goods by Road and Rail (6th Edition).

Handling Ensure a high level of personal hygiene is maintained when using this product. That is, always wash hands before eating, drinking, smoking or using the toilet.

ADG Proper Shipping Name None Allocated

Spills and Disposal

Spills & Leaks Wear sufficient respiratory protection and protective clothing where necessary. Sweep up material avoiding dust generation, then transfer material to a suitable container. If large quantities of this material enter the waterways contact the Environmental Protection Authority, or your local Waste Management Authority.

Disposal Oil/chemical saturated Sokerol can be disposed to an approved landfill site.

Fire/Explosion Hazard

Fire Fighting Precautions Wear Self-Contained Breathing Apparatus (S.C.B.A) and full protective clothing to minimise skin exposure.

Extinguishing Media Use appropriate fire extinguisher for surrounding environment.

Hazchem Code None Allocated
